Kia ora Parents and Caregivers,

All the best for a great break with your children. I am going to read heaps (at least 3) books and catch up with family. Stay safe all of you!

The disco was a great success. Great team work from the Friends of Wainui and support from Hirepool for the decorations.

It was lovely to see all the parents there as well.

Room 4 with the fire engine. The Firewise111 show was great with high impact safety messages included. If your child went it would be good to get them to tell you the safety messages they learnt to reinforce them.

We had a lovely Principals tea party yesterday. From the left: Shaan Pickering, Ava Smith, Luca Vita, Jemma Lewin, Ben Barker, Luke Edwards, Tanja Reedy, Phoebe Oliff, and Grace Lewin.

Over the last few weeks I have been meeting with a child from each class and talking to them about their learning. Rebecca Collier explained to me what "Lighting Up Learning" meant to her: It means to her encouraging everyone to be stars and shine in different areas. Not everyone is good at everything.

Also a special thanks to Mike Vita who was DJ for us. Mike has been doing this for us for many years! Ailsa Cuthbert was a great compere, not an easy job!

Last chance for the lost property tomorrow. Please check.

Last week the fire brigade came to visit Wai syndicate. They have been doing a "keeping ourselves safe" unit. Having the fire engine parked in the car park was a huge point of interest for the students. As winter is coming and a lot of families have fires, this is timely.

Activities include the famous bear hunt, a bouncy castle, face painting, make your own teddy bear, stories with Jan at Poppies book shop, a sausage sizzle, spot prizes and much more!
