Kia ora Parents and Caregivers,

When you are picking up your children from school please be very cautious around the carpark. With cars backing out, and others queuing to get in, there is potential for a bad situation. Please park before you call your child to the car and if you are crossing the road, use the pedestrian crossing. We often see a parent crossing their children across the carpark entrance! Also watch your speed along Wairere Rd. Mufti police cars target speeding motorists and teachers and parents on patrol will report speeding or dangerous cars. We want all the families at our school to be safe.

Thanks to the parents who have come and looked through the lost property. There is still stacks left! Please have a look.

We entered our school into the local garden competition and came 3rd! Shawn Collier does a fantastic job with very limited hours, to ensure that our school always looks great. The makeover garden got a special mention. Shawn will pick up our certificate next Tuesday. Thank you to all the students who also did their bit and picked up rubbish and kept everything looking extra tidy!

Student-led Conferences are coming up next week. Your child has done a gorgeous invitation for you, it comes home today. We are very proud that all students get to do a conference to their family. If it does not, contact your child's teacher.

The term breaks are quite a bit different next year due to the Rugby World Cup. I have put the dates on the web site. We will also be having two teacher only days next year. We will be working with a Maths Consultant, Charlotte Wilkinson, throughout 2011. To employ 9 relievers for a day is a huge cost, and we cannot afford to do this 4 times next year. Our first TOD will be Friday 18th March.

We received \$10,000 from the J.N. Williams Memorial Trust to go towards the building of the deck from the staff room to Room 9. The trust has been extremely generous to our school over many years. We very much appreciate their support in buying extra items that we otherwise would not be able to get. We are looking at options to raise the \$15,000 we still need to complete the deck project.

KEY COMPETENCY AWARDS

Back: Paul Denny-Galo, Rangī Moore, Jack Freschini, George Thorpe, Jonny Watkins, Noah Page, Saffron Bull
Front: Leucadia Shaw, Ben Cirolli, Alex Williams

GOTCHA BEING GOOD AWARDS

Back: Ben Barker, Katelyn Thompson, Yula Brockob
Front: Olive Johnson, Shaan Pickering

2010 Abacus Calendars, Gift cards and Diaries:

The children are doing fantastic creative artwork for their calendars this year.

Return the form provided along with payment please to the school office by Wednesday the 1st December. These are great for Christmas presents or a keep sake of their artwork.

We could learn a lot from crayons: some are sharp, some are pretty, some are dull, some have weird names, and all are very different colours... but they all exist very nicely in the same box.

Cricket

26th & 27th November 2010 DRAW

Dates 29/10/10 – 10/12/10 Friday evenings 5.30pm start Harry Barker Reserve.

Wainui Tigers vs Gis Int Girls

Cricket fee \$15 please pay as soon as possible

Wainui Hurricanes Miniball:

Wainui Hurricanes v Awapuni Hot Shots

This week we improved our game skills out of sight and five out of seven players scored baskets. We did some great lay ups which we have been practising. On defence we took heaps of really good steals and rebounds which were followed up by great dribbling skills. We worked together awesomely by passing to each other heaps. Taylor's shooting style is 'da' best and on a couple of occasions there was nothing but net. The Hurricanes Player of the Day was Kori "fastbreak" Kapa for a massive game. The Hurricanes ended with a solid win of 18-2. See you all at practice on Tuesday lunchtime then at the game Wednesday 3.30pm.

FOW Sausage Sizzle Friday 26 November

\$1 sausages

\$1 Juicies

50c Strawberries

Room 6 and 10

Parent helpers still required please.

Wainui Nippers Fundraiser:

Swimathon:

Olympic Pools. Sunday 10am,
28th November

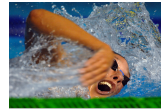

Everyone welcome.

Towards "Nipper Equipment and Uniforms"

My Dad

I like my dad because he takes me to work. He lets me drive the truck by myself, and the digger. He lets me put up the trailer at the port. He takes me to exciting places to get me stuff. It is even better on my birthday because I am the boss. Every time we go to Napier he gets us stuff from Toy World. He gets us cool as toys. My dad is strong as. He is also a good runner. He is fun to play with at home. My dad has really dark hair. He is really, really funny. He is so strong he can lift a big, long, heavy, metal chain. He throws the big chain over his high as logging truck, well...over his logs! When he goes to the port and the bush he has to wear hi-vis singlets. He also needs to wear short, black shorts. His truck is really, really clean on the inside, but not outside because he goes to the extremely muddy bush, and it flies all over the place!!!

Billy Stewart - Yr 3 / 7years

Pool Keys

The school swimming season runs from **now** until the end of Feb – start of March each year. You can purchase keys from the school office for \$40 and a \$10 refund when the season ends, and keys are returned.

Swimming Pool Maintenance:

We urgently need volunteers for the Christmas period to look after the school pool, approximately 1/2 hr per day. In exchange you will get to have a pool key for the season. Please see Shawn (caretaker) or Margo in the school office if you can help.

Jingle Bell Jog 4 Autism Awareness

Sunday December 12th

Starts 9am, registrations from 8.30am

Gold coin entry

Approx 3km Fun run/walk starting at Marina Park around the three city bridges, along the walkway to Customhouse St and back to Marina Park

Spot prizes afterwards & lolly scramble

Wear a Santa Hat☺

Santa will be there too!

Harry Allan and Jacob Richey waiting their turn in a big game of Pirate Rounders that Rooms 1, 4 and 6 played. It was very exciting, a lot of fun and all participants displayed the key competency of participation and contributing.

Bella Collier and Bailey Kopua displaying great team work when their classes were having a fun game of Pirate Rounders.
